It was a fantastic party. I've been there two times. At first time I feel stressful because I don't know people that were at the party but I know my friend. He is the creator of the party. There was a girl that was sitting alone. I went there but she didn't want to talk. I asked my friend about her. He said that she feel stressful after long travel. I said that I should go to talk with her. We were talking for 2 hours and I found out that she is Klara. I asked her for meeting after party. it was 10:30pm. She said okay. After party we were walking for 2 hours and then she said that she must go home or her father will be angry. I asked her about Sunday. She agreed. On Sunday we were walking hole evening and she starts crying. She said that her father is kicking her for every mistakes. I said I can defend her from her father and we went to her home. I was talking for her father for 30 minutes and at the end he pushed me out of the home and take Klara with him after this I haven't seen to other country this morning. I hope Klara will be good.
